Elite Pool Covers Australia ("Elite") is an Australian Company who has been manufacturing and supplying high quality pool covers to environmentally and energy conscious families and businesses for 25 years.

Across 10 countries including Australia, the company's products have demonstrated heat energy cost savings and efficiently reduces water evaporation from small pools to Olympic size facilities. Elite have revenues exceeding AU\$4.5million and through research and development have successfully marketed solutions including the popular Triple Cell Pool Covers. Since 1989 Elite Pool Covers have designed and manufactured an extensive range of high quality affordable manual, semi-automatic and fully-automatic pool cover systems for the harsh Australian climate and sell these direct to the public meaning you save big dollars.

Elite Pool Covers has been providing the best possible Pool Cover Systems to customers all over Australia, and the world. Our customer base includes Melbourne Sydney Perth Adelaide Brisbane and all regional areas and international market.

Elite holds the exclusive global patents and possesses a reputable brand across current markets and is looking to expand into the North America market.

Executive Director of Charthill Consultants Stanley Cobbold and Director Prabhjeet Singh hold the exclusive rights to license Elite Pool Covers in North America. The market size, measured by revenue is \$1.1bn in 2020.

Charthill Consultants is offering an exciting and profitable investment in the exclusive North American licensing agreement with negotiable terms.
